### **4. Village and maintenance issues**

It was reported that on Tuesday (2/9) a red Audi car and tow truck was in the village on the South side, for no apparent reason. The registration number of the car was taken for future reference.

There has been lots of activity on the Piercebridge village Whatsapp group from residents regarding the wagon traffic during the night. It's emerged that the A66 has been closed from 28/07 to 11/10 with diversions in place. It appears that Piercebridge is being used as an alternative and no prior notice had been received regarding this from the Highways department. The PC do not have any jurisdiction over this as it is a Highways matter.

Cllr Blamire asked Ward Councillors to let the member of staff carrying out the grass cutting in the village know what a good job they are doing. This positive feedback will be passed on.

A bench in the village is in need of repair. Cllr Blamire agreed to take this forward.

The shed is now up and in place.

It was agreed the village would benefit from additional dog bins as they are always full. An option would be to purchase one from DBC as it is unlikely that anymore will be provided.

A resident has asked what the plant is that is confined in the triangle of land at the old bridge. Cllr Crudass confirmed that it is Japanese Knot Weed.
